# WELCOME ADDRESS

**Dear esteemed colleagues,**

the long-awaited day has finally arrived—the commencement of the 15<sup>th</sup> European Laryngological Society meeting in Warsaw is now a reality. This event is made all the more extraordinary as it coincides with the remarkable milestone of the society's 30<sup>th</sup> anniversary.

As president of the European Laryngological Society, it is both a profound honor and a personal joy to welcome you all to this prestigious gathering in the vibrant heart of central Europe. With over 450 registered participants, this congress boasts an exceptional scientific program meticulously curated by some of the most distinguished experts in laryngology, representing five continents and 55 countries.

Beyond academic excellence, we have also ensured ample opportunities for personal and professional connections. Dinners, lunches, and coffee breaks will provide perfect moments to strengthen our social and human networks.

I encourage you to fully immerse yourselves in this unique scientific and cultural experience. Enjoy your time in Warsaw, and may this meeting leave you inspired and enriched.

**Warm regards,**

*Małgorzata Wierzbicka*

## Accreditation

The **15<sup>th</sup> Congress of the European Laryngological Society, Warsaw, Poland, 8–10 May 2025** has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) with 19,5 European CME credits (ECMEC®s). Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

Through an agreement between the Union Européenne des Médecins Spécialistes and the American Medical Association, physicians may convert EACCME® credits to an equivalent number of AMA PRA Category 1 Credits™. Information on the process to convert EACCME® credit to AMA credit can be found at [www.ama-assn.org/education/earn-credit-participation-international-activities](http://www.ama-assn.org/education/earn-credit-participation-international-activities).

Live educational activities, occurring outside of Canada, recognised by the UEMS-EACCME® for ECMEC®s are deemed to be Accredited Group Learning Activities [Section 1] as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada.

## Badges

Issuing of badges will take place at self-check-in stations. You will receive a QR code before the Conference via email. You can print the QR code or use your mobile device to obtain your badge. Each participant is kindly requested to wear the name badge when attending the Conference. There will be a registration desk available in case of any difficulties.

# 16<sup>TH</sup> CONGRESS OF THE EUROPEAN LARYNGOLOGICAL SOCIETY 2027

**Dear colleagues,**

progress in laryngology has evolved exponentially since the invention of the Garcia mirror.

We have entered an era of modernity, as evidenced by the latest developments in immunotherapy, use of organoids, functional imaging, laryngeal pacing and tissue engineering, to name but a few.

In this modern context, what city other than Antwerp would have been better suited to host our 16<sup>th</sup> congress. Antwerp is also resolutely forward-looking. A city of freight exchange and chemical and pharmaceutical technology. Antwerp is also a trendy city, as evidenced by its fashion museum and school, and its diamond industry. Last but not least, a city of culture, where the genius of many artists was born, including Rubens, the undisputed Flemish master.

The staff of the ENT department of the University hospital of Antwerp and myself will be delighted to welcome you during this 16<sup>th</sup> congress of the European Laryngological Society.

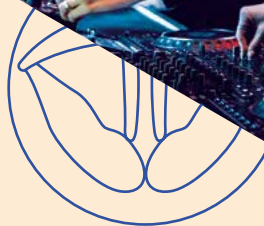

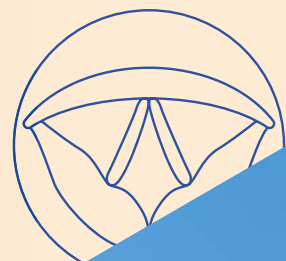

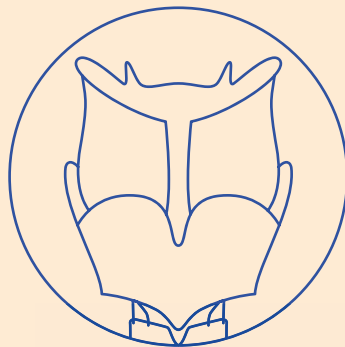

Let's exchange and collaborate for the greatest benefit of our patients.

**See you soon in this magnificent city of Antwerp.**
